MARK 11:1-11 | CSB

Jesus enters Jerusalem

11 When Jesus and his followers approached Jerusalem, they came to Bethphage and Bethany at the Mount of Olives. Jesus gave two disciples a task, ²saying to them, “Go into the village over there. As soon as you enter it, you will find tied up there a colt that no one has ridden. Untie it and bring it here. ³If anyone says to you, ‘Why are you doing this?’ say, ‘Its master needs it, and he will send it back right away.’”

⁴They went and found a colt tied to a gate outside on the street, and they untied it. ⁵Some people standing around said to them, “What are you doing, untying the colt?” ⁶They told them just what Jesus said, and they left them alone. ⁷They brought the colt to Jesus and threw their clothes upon it, and he sat on it. ⁸Many people spread out their clothes on the road while others spread branches cut from the fields. ⁹Those in front of him and those following were shouting, “*Hosanna! Blessings on the one who comes in the name of the Lord!*” ¹⁰Blessings on the coming kingdom of our ancestor David! Hosanna in the highest!” ¹¹Jesus entered Jerusalem and went into the temple. After he looked around at everything, because it was already late in the evening, he returned to Bethany with the Twelve.

PHILANDER SMITH UNIVERSITY STUDENT KESHIRA WATSON FULFILLS LIFELONG MINISTRY ASPIRATION

January 3, 2024

“As soon as she heard about the college at the institute, she decided there was no other school for her—even though she’d never even seen the campus.”

No one ever had to guess what Keshira Watson wanted to do for a living. From the time she was in 2nd grade, she just knew.

“I’ve always known that I was called to ministry,” said Keshira, 22, a student at Philander Smith University in Little Rock, Ark., a historically black United Methodist school founded in 1877. “I’ve known since I was 7 years old. It was just a gut feeling.

“I used to watch my youth pastor and all of the ministers, and I was just in love with what they did, and I always wanted to be just like them.”
